

Engineering Imagination Enrichment Classes

Egg-gineering

Class description: For boys and girls, grades 2, 3, 4. Students will have a blast learning about real-world engineering concepts in hopes of avoiding an egg-plosion! Given only recycled materials, students will design a contraption capable of protecting a raw egg during a free-fall from varying heights. Students have so much fun with this challenge. Instructor: Andrew Escalera of Engineering Imagination, LLC.

Date: February 2 – March 2 (no class February 16)

Time: 3:15 pm to 5:30 pm (students can go right after school)

Location: Lebanon Elementary School

Cost: \$72 per child for 4 weeks
